Specifications include, but are not limited to:

**Municipal Waste Collection: weekly curbside residential solid waste/yard debris collection (to occur Monday-Wednesday to cover all residential areas). The City's goals in issuing this request for proposals (RFP) include:**

- ✓ Securing services at the rate that best suits the needs of the City by consolidating and contracting for household collection services.
- ✓ Extending Street and road life by minimizing heavy truck traffic throughout the City.
- ✓ Consolidating collection days to minimize the number of days materials are set out and minimize littering.
- ✓ Providing a basic level of solid waste management services to meet the waste reduction and disposal needs of residents, the city and the State of Georgia.
- ✓ Reducing the amount of waste disposed of in local and regional landfills.

**Please submit all sealed bids, by 5:00 PM on July 23, 2024 to:**
